

6th GRADE

Course Selection Worksheet

SOMERSET ACADEMY
BROOKS

Rising 6th Grade Parents & Students:

Students will be entering course requests into the ASCENDER STUDENT PORTAL. Once their courses are submitted, ASCENDER STUDENT PORTAL course selections cannot be changed or edited. Be sure to review and select the correct courses. **This course selection worksheet is for planning purposes.**

Students will be scheduled for 8 class periods. By entering selected courses into the ASCENDER STUDENT PORTAL, I agree with my child's selections, and I am aware of Honors/AP/Dual Credit requirements (Student & Family Code of Conduct, Section 3, Page 39).

I am also aware that the electives chosen are not guaranteed and there is a chance that students can be scheduled into an elective other than the ones chosen to best accommodate the classes that meet the requirements for grade promotion or graduation.

If the student does not meet the criteria for a particular course, the CCMR counselor will make the appropriate change.

Deadline to submit ASCENDER COURSE SELECTION: Friday, March 28th.

PLEASE NOTE: Course selection priority will be given to students who have re-enrolled for the 2025-2026 school year.
