

# 8th GRADE

## Course Selection Worksheet

**SOMERSET ACADEMY**  
BROOKS

Rising 8th Grade Parents & Students:

Students will be entering course requests into the ASCENDER STUDENT PORTAL. Once their courses are submitted, ASCENDER STUDENT PORTAL course selections cannot be changed or edited. Be sure to review and select the correct courses. **This course selection worksheet is for planning purposes.**

Students will be scheduled for 8 class periods. By entering selected courses into the ASCENDER STUDENT PORTAL, I agree with my child's selections, and I am aware of Honors/AP/Dual Credit requirements (Student & Family Code of Conduct, Section 3, Page 39). If the student does not meet the criteria for a particular course, the CCMR counselor will make the appropriate change.

I am also aware that the electives chosen are not guaranteed and there is a chance that students can be scheduled into an elective other than the ones chosen to best accommodate the classes that meet the requirements for grade promotion or graduation.

Deadline to submit ASCENDER COURSE SELECTION: Friday, March 28th.

**PLEASE NOTE: Course selection priority will be given to students who have re-enrolled for the 2025-2026 school year. Courses for high school credit will have mixed grade levels of middle and high school students.**

### ENGLISH - REQUIRED EVERY YEAR (SELECT ONE)

✓	Course Number	Course Title	ASCENDER Student Portal Tab:	Course Description
	0816	ELAR 8	Language Arts	English 8th Grade

**GENERAL ELECTIVES**

#	Course Number	Course Title	ASCENDER Student Portal Tab:	Course Description
	0895	HLTH & WELL 8	Miscellaneous	Health & Wellness 8th Grade

-----

**Advanced courses:** Honors Courses, Algebra I, and Biology course selections will be reviewed and approved by administration.

**High School Credit Courses:** High school credit level courses require a passing grade of 70 or higher and 90% attendance. All high school credit courses are used for graduation requirements.

**Electives:** Athletics and Level 2-4 Electives may require instructor approval. Elective courses will NOT be offered if not enough students choose them. It is important, therefore, to consider alternative elective choices very carefully. If you choose an academic elective, it will be in addition to your academic classes.
